CELEBRATING LANCASHIRE'S BUSINESS SUCCESS STORIES

RED ROSE AWARDS 2026

The Red Rose Awards will be back in 2026 to celebrate the outstanding achievements of Lancashire businesses.

A highlight in the Lancashire business calendar, taking place in March 2026.

The achievements of businesses, which Lancashire Business View has reported all year, are what the Red Rose Awards 2026, the 16th staging of this event, will honour.

SPONSORING RED ROSE AWARDS

Sponsoring the awards offers a fantastic opportunity to position your brand alongside a well-established, prestigious, high-profile and comprehensively marketed event, forge contacts with other sponsors and meet the best businesses in the county.

The awards will receive significant support from Lancashire Business View magazine before and after the event. Lancashire Business View, which stages the awards, has a readership of 50,000, and 8,000 individuals are signed-up to receive regular e-bulletins.

The awards will also be well-supported by other media including trade press, radio and local press.

And there will be significant advertising and a strong social media campaign to support the awards.

As a sponsor, your brand will benefit from all this marketing, as well as the networking opportunities on the night and at several other points including launch and sponsor events, judging and winners' reception.

You'll also be invited to join a judging panel made up of sponsors, business leaders and invited experts.

WHEN AND WHERE?

The Empress Ballroom,
Blackpool Winter Gardens,
Thursday 12 March, 2026.

WHO WILL BE THERE?

Lancashire's best businesses
including blue chip sponsors and the
county's business leaders.

WHAT CAN I SPONSOR?

We have various award categories available to sponsor plus a variety of other fantastic opportunities that will allow you to gain exposure and be part of this prestigious event.

In addition to the packages in this pack, we are also able to create bespoke packages to suit your requirements and budget. Please just get in touch to discuss.

HOW WILL THE AWARDS BE JUDGED?

Each entry will be judged by written submission and through interview.

As a sponsor you will be invited to join the judging panel of senior business figures to grill our finalists.

As a Red Rose Awards judge you will be given the chance to meet and forge relationships with fellow judges and category nominees which many of our previous sponsors have highly valued.

To ensure complete transparency and fairness, Lancashire Business View has no involvement in the judging process. All decisions are made independently by panels made up of sponsors, business leaders and invited experts.
